

Message from our Chairman—Derek Raine

We have another great programme of activities for Meadowlark this year with the return of all the popular favourites and some new things. On the day there is a packed programme in the arena including the return by popular demand of birds of prey and all the usual stalls plus a crazy golf course. There is also a week of events leading up to the Saturday and the usual Sunday service. The theme this year is Flight which will get a variety of innovative interpretations in the Pageant. As many of you will know Meadowlark is one of our main fund-raisers for the maintenance of the Community Centre. The community association is grateful to all those who help make it happen and for the support of all who participate. I'm sure it will be a fun week for all.

CAN YOU HELP? If you wish to donate a prize or unwanted items please take them to the Community Centre between 10am to 4pm on **Friday 13 June**.
Help is also needed to set up the Great Meadow on Friday 13 June
