

Wine & Cheese

TASTING

Kedington Community Centre

Hosted by George Unwin from Baythorne Wines

Join us for an evening of delicious wines and wonderful cheeses,
hosted by George Unwin from Baythorne Wines.

George will guide us through a selection of carefully chosen wines,
exploring their flavours, characteristics and perfect cheese pairings.

He'll also introduce us to one or two lesser-known wines,
giving us the chance to discover something new and perhaps
find a new favourite.

Whether you're a wine enthusiast or simply enjoy a good glass,
we hope you'll enjoy this relaxed and sociable tasting experience.
