

Kedington Horticultural Show 2020

It will be no surprise to anyone reading this that this year's Horticultural Show at St Peter and St Paul Church will be different from previous years. The number of classes will be reduced, but we hope that there will be something for everyone who wishes to take part and an opportunity for others to view the exhibits and purchase home-grown produce.

Please read the rules and schedule below to find out how you can get involved. Watch out for up-to-date information on notice boards and Kedington Community Facebook group. Sadly, it is not possible to have the culinary section this year.
